

# PHYSIS

## PHYSIS KAI POLIS - XII INTERNATIONAL ONTOLOGY CONGRESS

Under the patronage of San Sebastian European Capital of Culture 2016 - In the 24th centenary of Aristotle's birth - San Sebastian 3-7 October, Barcelona, 10-11 October 2016

The International Ontology Congress is organized every two years by the Philosophy Departments of the University of Basque Country and the Autonomous University of Barcelona. The International Federation of Philosophical Societies (FISP), the Donostian International Physics Center (DIPC) and Iberian Greek Philosophy Society (SIFG) support this XII Edition.

The organizing committee calls for contributed papers and contributed symposia. Abstracts should be submitted by using the registration form in the congress website ([www.ontologia.net](http://www.ontologia.net)). Please note that all papers will be read in San Sebastian.

- Contributed papers: Please submit an abstract of 300 words prepared for anonymous review. Accepted contributed papers will be allocated in total 25 minutes including discussion time.

- Contributed symposia: Please submit an abstract of 600 words prepared for anonymous review. Accepted contributed symposia will be allocated in total 2 hours including discussion time. The abstract should include: 1) a general description of the format and the topic of the proposed symposium and its significance (up to 500 words) and 2) a 300-word abstract of each paper (3-4 papers).
